| DESCRIPTION | <p>Windham Public Schools serves gifted and talented students in the Academic Enrichment Program. It supports the belief that our educational conditions will ensure maximum achievement for all students. Participation in this program is based on above average ability, creativity and task commitment. The goals of the program are: to encourage a schoolwide environment that focuses on student strengths, to encourage the development of gifted behavior, to provide on-going student assessment and identification, and to integrate programming strategies that encourage gifted behavior in the regular classroom.</p> <p>At the elementary level, the Academic Enrichment Program contains the following components: 1) Whole School and class Enrichment, 2) Small Group Enrichment, 3) Language Arts Challenge, 4) Math Challenge, 5) Independent Investigations.</p> <p>At the middle school level, the Academic Enrichment Program contains the following components: 1) Whole School Enrichment, 2) Language Arts Challenge, 3) Advanced Math Classes, 4) Math Counts (National Competitive Math Program).</p> |
